

LMS User Interface Updates Resource

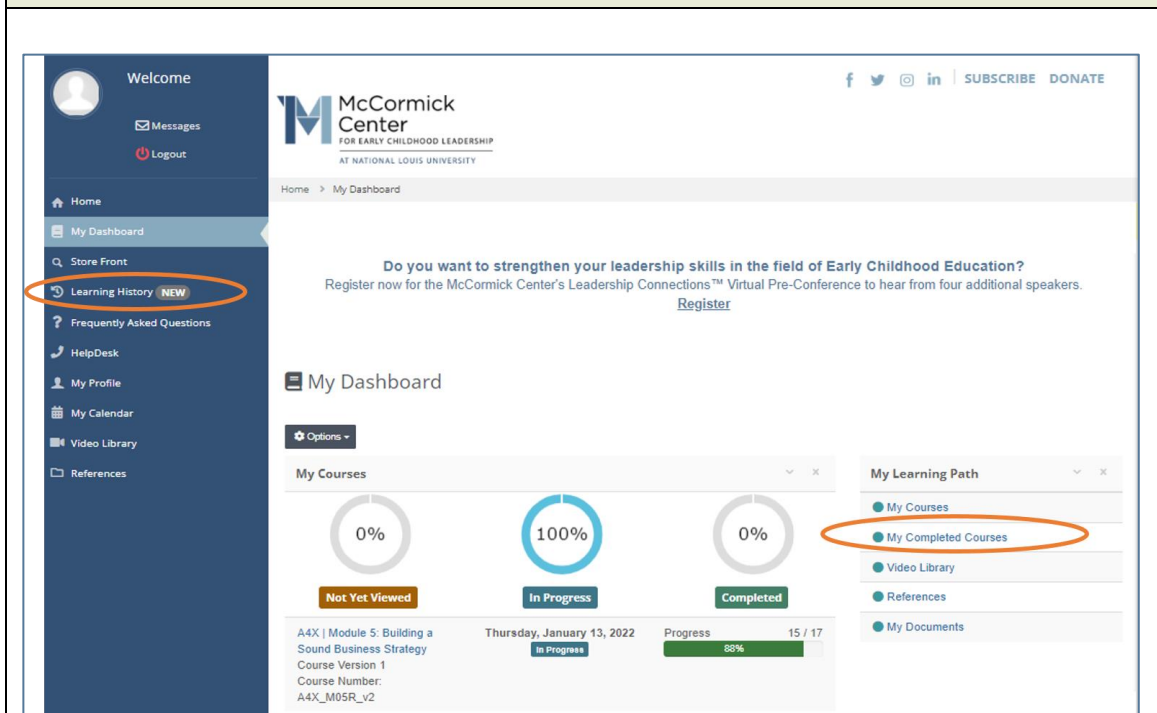

Effective April 12, 2022, the following user interface (UI) updates will be made to the Learning Management System (LMS) platform.

These updates are designed to consolidate the navigation, create a more consistent visual experience, and improve the overall look and feel for you, the user. The overall structure of the site is not impacted and most everything will remain in the same spot, however there are some changes.

UPDATES INCLUDE:

- “Learning History” replaces “My Completed Courses”, and is now listed in the left-side menu.

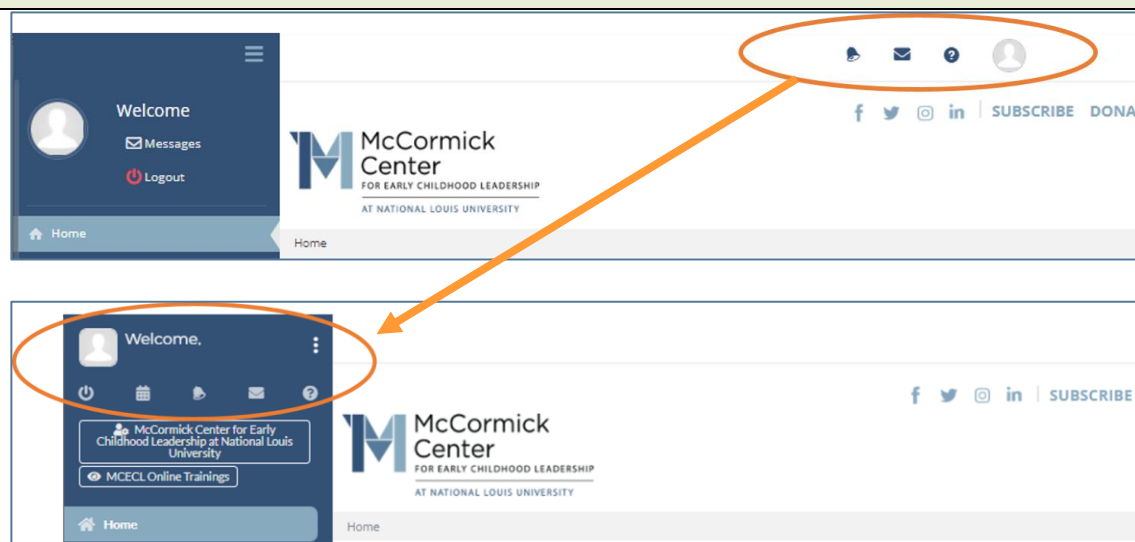

Information you used to access from “My Dashboard” > “My Completed Courses” will now only be available under Learning History in the left-side menu.

The screenshot displays the LMS user interface. On the left, a dark blue sidebar contains a navigation menu with items: Home, My Dashboard, Store Front, Learning History (marked with a 'NEW' badge and circled in orange), Frequently Asked Questions, HelpDesk, My Profile, My Calendar, Video Library, and References. The main content area features the McCormick Center logo and a banner for the Leadership Connections™ Virtual Pre-Conference. Below this is the 'My Dashboard' section, which includes a 'My Courses' overview with three progress indicators (0%, 100%, and 0%) and a 'My Learning Path' sidebar. In the 'My Learning Path' sidebar, 'My Completed Courses' is circled in orange. The 'My Courses' section shows a course titled 'A4X | Module 5: Building a Sound Business Strategy' with a progress bar at 88%.

- Relocation of profile, message, notification, FAQs, and help icons from upper right to upper left-side menu.

Various icons (profile, message, notification, FAQs, and help) are now located in the upper left-side menu.

The relocated Help Menu contains all of the original features, plus a few other additions. Included in the Help menu:

- My Calendar
- Notifications
- Messages
- Help & Information
- Settings & Options: Expanding the three vertical dots will grant you access to My Profile, Change Organizational View, and a Logout button.

Please contact the HelpDesk if you have any questions.
